A VERY WARM WELCOME

To the 72 riders and their families attending our final event of the year, thank you for your support and we hope you enjoy your time with us on Sunday. You're assured of a very warm welcome when you come to sign in.

The honour of starting the event goes to my daughter Emily KINSEY, a TT novice making a trip from her residence in Paris to take part this weekend. While Emily's case is an extreme example, we're pleased to note the large number of entries from outside the South Wales district. It's also great to see a seventy-year age range from our entries this year, a reminder of broad appeal of time trialling to cyclists of all ages.

As you sign in, please pay attention to our on-the-day risk assessment which will advise of any potential hazards on or around the course. In advance of that I'd like to draw your attention to a severe pot-hole in the first half-mile of the course – I speak from personal experience in saying that it's not a great place to put your front wheel. Please steer to the left of that one!

Our timekeepers for the event are Martyn Heritage-Owen [Realteam Cycling Events] and Robin Field [Cardiff Byways CC], two great supporters of time trialling in the South Wales district and we thank them for their services this weekend.

Back at the HQ you can look forward to a free drink back after your ride, plus a variety of snacks. We'll deal with the post-race formalities as promptly as possible so please stick around if your schedule permits; hopefully, for riders near and far, we can all be home around lunch time.

Please have a safe ride – see you on Sunday!

Simon Kinsey

GETTING TO THE START

This year we've moved the event headquarters to the Scout Hall in the centre of Abergavenny. This makes for a shorter trip to the start line and digital readers can click [here](#) to see a Strava route between the HQ and the start. It's a four-mile trip; an initial 1.5 miles through the town centre, then a further 2.5 miles along the A40 dual carriageway.

Please allow sufficient time to travel out to the start – particularly if you're intending to use the nearby B4598 [parallel to the A40] for an additional warm-up.

THE R10/17 COURSE

- Ordnance survey references: sheet 161 – start and finish 333100.
- Start at first drain cover in third lay-by east of Hardwick roundabout, Abergavenny, on A40, 25 yards east of kilo post 97 and 400 yards east of bridge over road.
- Proceed on A40 to Raglan roundabout [4.94 miles] and turn by circling roundabout and retrace on A40 to finish at road joint 136 at western end of lay-by opposite start.
- Riders to continue past finish without stopping -- no riders to congregate at finish
- District regulations:
 - no cars connected with riders are to travel on the A40 during the event;

- o competitors observed crossing the dual carriageway will be disqualified;
- o no turbo training devices within 100 yards of dwellings;
- o no warming up on the course after the event has started [9:08am].

We'll have marshals stationed at the turning point but please remember that they're there for guidance only and have no authority to control traffic. The R10/17 is a simple out-and-back course but several roads converge at the turning point, as shown here:

DISTRICT RULES

All riders are asked to comply with the following.

- Please call your number to the finishing timekeeper – otherwise your time may not be recorded.
- Please keep your head up, be aware of your surroundings and HAVE A SAFE RIDE.
- In the interests of your own safety Cycling Time Trials and the Event Promoters strongly advise you to wear a HARD SHELL HELMET that meets an internationally accepted standard. In accordance with Regulation 15 ALL JUNIOR competitors must wear protective helmets. It is recommended that a working rear light, either flashing or constant, is fitted to the machine in a position visible to following road users and is active whilst the machine is in use.
- This event may be subject to doping control. It's YOUR responsibility to check.

- Please don't pass the start time keeper or warm up on the course.
- Don't use a turbo trainer within 100m of residential areas.
- Failure to follow these rules will result in a disqualification and referral to the South Wales DC for further disciplinary action.
